LOCALLY PRODUCED WINES

We are delighted to list wines from vineyards local to us, from the family-run Severn Valley Wines. Named after the rural area of mid-western England, they produce award-winning wines made from a variety of weather-hardy grapes.

ECO-FRIENDLY WINES

We are also proud to offer Sea Change, a range of ethically sourced wines that support projects to turn the tide on plastic waste. They have removed unnecessary plastic wrapping from around the cork, using renewable plant-based closures instead. Labels are made from certified sustainable forests and using grape waste. A donation is also made to marine charities from every bottle sold.
