WELCOME TO OUR WINE LIST.
WE HAVE STRIVED TO CREATE A WELL-BALANCED
SELECTION FOR YOU TO CHOOSE FROM, OFFERING A RANGE
OF WINES THAT ENHANCE YOUR DINING EXPERIENCE.

LOCALLY PRODUCED WINES

We are delighted to list wines from vineyards local to us, from the family-run Severn Valley wines. Named after the rural area of mid-western England, they produce award-winning wines made from a variety of weather-hardy grapes.

The vines, spread over 30 acres in South Staffordshire are comprised of sixteen different varieties, including familiar varieties such as Chardonnay and Pinot Noir.

ECO-FRIENDLY WINES

We are also proud to offer Sea Change, a range of ethically sourced wines that support projects to turn the tide on plastic pollution.

They have removed unnecessary plastic wrapping from around the cork, using renewable plant-based closures instead. Labels are made from certified sustainable forests and using grape waste.

A donation is also made to marine charities from every bottle sold.
