

# Short notice menus

# Left it to the last minute?

---

It happens to all of us. Sometimes plans are made at short notice; sometimes arrangements just slip our mind.

That's why we've made it easy to see all your short-notice options at a glance. Here you'll find all the food and drink choices available with two days' notice, or the day before your event. It's a shorter menu than we typically offer, to make sure we can deliver the best quality.

## How to order

Call 0121 415 8400 **before 11am** to place your order.

There's a minimum spend of £25.00 per delivery. We'll do our best to deliver to the time and place that suits you, but please bear in mind this is a short-notice service – so we'll let you know if there are any issues.

## Large group?

If you're ordering for more than 50 people, let us know as soon as you can. We can often accommodate larger bookings.
