Delivered by Food Fellows

We deliver anywhere on campus

Whether you're organising an informal buffet, team celebration or working lunch, indulge your guests with our mouthwatering menus.

How it works

- 1 Book a slot**
Please allow four working days' notice for a weekday delivery (We can deliver refreshments and sweet treats with 48 hours' notice on weekdays) and 15 days' notice for a weekend delivery. If you've ordered any alcohol, please make sure someone's available to sign for it.
- 2 Choose your menu**
Choose the food, drink and treats you'd like. Don't forget to cater for all tastes and make sure your order meets the minimum spend*.
- 3 Relax**
Once your order confirmation has dropped into your inbox, you can relax knowing we're working on it for you. There's an option to amend it – and if you cancel within five working days no charge will apply.
- 4 Clearing up**
We can clear up afterwards, for an optional £20 charge. Otherwise, we'll provide a bin bag for you to clear away all rubbish; any cardboard can be recycled. We'll collect any jugs or urns afterwards at the time you specified in your order.

Gluten free = GF, Vegan = VE

*Orders need to meet the minimum spend:
£40 for a weekday delivery; or £150 for a weekend delivery.
